

## Capital Campaign Update

I would like to express my gratitude for your generosity. Together, as a parish family, we have surpassed our initial fundraising goal of \$5,000,000, with pledges now totaling \$5,787,833. When combined with funds from the sale of the St. David campus and parish reserves, we are in a strong position as we move forward.

However, we have just recently received updated construction cost information and are in the process of evaluating it carefully. As we do so, we are working closely with our building committee, finance council, our contractor, and the Archdiocese to ensure that we have a clear and accurate understanding of the project.

There is still important work to be done, but we are moving forward thoughtfully and responsibly, taking the time needed to make the best decisions for the parish.

Our parish gathering on May 3rd will be an opportunity to celebrate what has already been accomplished and to share an update as we continue this process together.

Thank you for your generosity, your prayers, and your continued support of Holy Family Parish.

God bless,

Father Blessing
