

As Catholics, we know that prayer is essential to the success of any worthy endeavor—especially a parish-wide campaign. We pray for guidance and wisdom for our parish leaders as they plan and make decisions. We pray that our architects are inspired to design a church that reflects truth, beauty, and goodness. We pray for the safety of all who will one day build our new worship space. And we pray for ourselves as we discern our own sacrificial gifts toward a church that will serve as a spiritual home for God’s people well into the next century.

In just a few weeks, we will introduce our Campaign Prayer, written by Fr. Blessing and Cathy Whitlock. This prayer will be shared throughout the parish and read at Masses and other parish gatherings. Our team of Prayer Leaders, coordinated by Cathy Whitlock and Matthew Mayer, Sr., will distribute the prayer to all ministry groups. Each household will receive a copy, and you may wish to incorporate it into your daily prayer at home.

Whatever prayers you choose to offer, we ask you to join your fellow parishioners in a communion of faith as we seek God’s blessing on our work to build **One Faith. One Community. One Future.**

God Bless,

**Fr. Blessing**
