

## Be Ready to Welcome Our Campaign Volunteers!

With hearts full of gratitude, I share the blessings we are experiencing through our *One Faith, One Community, One Future* Capital Campaign. Through your generosity, our parish family has already contributed more than **\$1.8 million** toward our **\$5 million goal**, and the impact of your kindness is felt by all.

I am deeply thankful to the volunteers and donors whose faith and dedication have brought us this far. Yet our journey together continues. There is still much to be done, and now I invite each of you to walk with us in faith as we move forward.

- In the coming weeks, every household will receive a campaign packet that includes a case booklet and a personal appeal letter from Fr. Blessing. If you do not receive your packet, please call the parish office to request one.
- Our campaign volunteers—your brothers and sisters in Christ—will reach out personally to members of our parish. Please welcome them warmly, as they offer not only their time and talents, but also their hearts, serving our community out of love for God and neighbor. They are fellow parishioners, friends, and neighbors, propelled by the mission of Holy Family Parish here in Arnold.
- I encourage you to receive their invitation with openness and generosity. If a volunteer calls, please answer or return the message; a simple response is a gift in itself and helps lighten their service. If invited to meet, know that their purpose is to share our parish's vision, listen to your questions, deliver your pledge card, and invite your participation. This is not about pressure or expectations, but about sharing in the mission entrusted to us by Christ.
- For those who receive a campaign packet and pledge card, I invite you to prayerfully consider your support. Your pledge will help us achieve our goals and make a meaningful impact. Please return your pledge in the envelope provided by **March 31**. If you have any questions, please contact our campaign manager, **Joanna Gray**, at **636-699-6977**.
- Please remember: the suggested gift written in your letter is an invitation, not an expectation. We ask only that you pray and discern how God is calling you to contribute. Each gift—whether large or small—is a step toward building up our parish community and furthering the work of the Gospel.

Let us continue to unite in prayer, trust, and generosity as we build up the Body of Christ in Arnold. Your support is a testament to the living faith of our parish family, and together we are creating something truly extraordinary for generations to come.

May God bless you abundantly for your kindness and support.

God bless,

Fr. Blessing
