

In the coming weeks, each registered family in our parish will receive a packet by mail. This packet will include details and visual representations of the proposed new church, along with an invitation to participate in supporting the development of our spiritual home. We respectfully ask that all parishioners consider making a contribution that is personally meaningful and sacrificial.

*“For if the willingness is there, the gift is acceptable according to what one has, not according to what one does not have.” — 2 Corinthians 8:12*

As you prayerfully reflect on your potential gift to our parish’s future, please note the following key points:

- The pledge period spans three years.
- Pledge payments may begin at a time most convenient for you.
- Donors may choose a payment schedule, such as monthly or annually.
- Contributions may be made by cash, check, or automatic withdrawal.
- Additional giving options, including securities or annuities, are also welcome.

We look forward to embarking on this historic journey together in support of the Catholic community of Arnold. The church we build will stand as a lasting symbol of our faith, sacrifice, and commitment for generations to come.

God Bless,

Fr. Blessing
