

## Capital Campaign Update

Thanks to the generosity of 263 parish families, we have now received over \$4 million in gifts and pledges. When combined with other parish resources, we have reached nearly \$6.6 million of the \$7.5 million needed to build our new church.

I am very grateful for the generosity and prayerful support that so many of you have already shown. Over the past couple of years, about 550 parish families have financially supported the parish at some level, and it is encouraging to see our community continuing to come together as we move forward.

If you have not yet returned your pledge card, I encourage you to prayerfully consider doing so when you are able. The pledges help us understand the level of support across the parish as we continue planning for the new church. Even if you are not able to participate at this time, you are encouraged to return the pledge card indicating that, as it helps our campaign team understand the level of support across the parish.

We now also have an online version of the pledge card available through the parish website for those who prefer to respond that way. Once your pledge card has been submitted—either on paper or online—you may also set up your campaign payments through the parish website by selecting Online Giving and then Capital Campaign.

If you would like a pledge card, or if you did not receive one or may have misplaced it, please contact the parish office at 636-321-0002.

Thank you for your continued prayers and support.

God bless,

Fr. Blessing
