

Correction and Campaign Update

In last week's bulletin, the last name of Doug and Beth Diveley was misspelled. We sincerely apologize for this mistake.

As part of our preparations for the capital campaign, we are developing a comprehensive case booklet that will outline the design and projected costs of our new church, as well as describe the many ways to participate in the campaign. This booklet will be distributed to our entire parish community in late January.

Along with the booklet, each family will receive a personalized letter from Fr. Blessing inviting their support for this important initiative. Suggested appeal amounts are determined primarily by each family's history of giving. Please know that this appeal is not an obligation, but an invitation to prayerfully consider supporting our shared mission to build a sacred worship space for the Catholic community of Arnold.

We understand that some families may wish to take advantage of 2025 tax incentives before the end of the year. If you have questions about the timing of your donation, please contact our campaign manager, Joanna Gray, at jgray@steiergroup.com or at (636) 699-6977. She is also available at the parish office Tuesday through Thursday.

God bless,
Fr. Blessing
