ONE FAITH. ONE COMMUNITY. ONE FUTURE.: *A Campaign for Holy Family Parish*
Capital Campaign Update

As part of our ongoing commitment to transparency and communication, we will continue sharing information in the bulletin to keep parishioners informed and inspired about the initiative before us. Each update will offer a closer look at our campaign's purpose, progress, and vision — helping us see how this effort strengthens both our faith and our parish community.

In the weeks ahead, we'll continue offering insights into our parish's journey — from planning and preparation to participation and prayer. These updates will provide a clearer view of how our campaign is unfolding and how, together, we are laying the foundation for Holy Family's future.

This Week's Focus: The Steier Group, Capital Campaign Consultants

We have engaged the Steier Group to guide us through this important effort. A campaign of this scale requires full-time coordination and professional expertise. Our campaign manager is dedicated solely to Holy Family Parish—helping to organize volunteers, prepare materials, and ensure that our efforts stay on schedule. In addition to on-site leadership, the Steier Group provides professional support in communications, design, and grant research to strengthen our outreach.

Our campaign manager, Joanna (Collins) Gray, brings extensive experience in Catholic education and parish development. A St. Louis native, Joanna served for more than 20 years as a teacher and principal in the Archdiocese of St. Louis before joining the Steier Group seven years ago.

This campaign is a journey we share as one parish family. In the weeks ahead, we'll continue to provide updates on the building design, the timeline, and opportunities to participate. Please keep our campaign leaders and the entire Holy Family community in your prayers.

God bless,

Fr. Blessing
